Extension of the hall of the Secretariat Club building in the Cubbon Park at Bangalore.

SIR,

In continuation of this office No.B.13587 dated the 1st April 1925, I have the honour to report that a detailed estimate has been got up for extending the hall and this amounts to about Rs 600 including the cost of other sundry alterations to the above Club building. This estimate is under check in this office and will be sanctioned if approved together with the estimates for repairing the Tiffin shed and stables.

2. As regards the funds for the work, it has to be mentioned that all the available funds of this Department have been expended already and no funds could therefore be spared for the work for expenditure during this current official year.

3. As regards the estimates for repairing the Tiffin shed and adapting the stable for the use of the servant attached to the Club, the detailed estimates called for from the Executive Engineer have not yet been received. The Executive Engineer has been reminded again.

I have the honour to be,
Sir,
